

5.1.3 Capacity Building and Skill Enhancement Initiatives

Report on Language and communication skill (Bhumika-Wall paper)

College continuously trying to impart knowledge and skill based activities for students. Social work students are expected to observe social issues, traditions, legislations, social, economical, political problems in the society and give their intellectual responses towards it through Bhumika. This activity was taken on every third Thursday of every month. It was expected that students who have assigned Bhumika presentation, will given pre intimation and they should prepare Bhumika on their own views, approach, language and perspective towards the current issues, problems, policies impact found in society. Bhumika presentation helps students to develop their conscience. It promote student to think on the burning issues in the society. It helps to present student's opinion before all students and staff. It inculcates their confidence professional self and presentation skill. Other students have to listen carefully and give feedback through discussion on the presentation. All these process goes through storming, norming and performing channels of thinking which boost psychologically.

In this academic year 2020-2021, 15 students presented their Bhumika on various issues. Notice for the students, presentation, photo graphs, news in news paper is attached.

Report on Value Added Course on ICT Skills **(Information Computer Technology)**

Introduction

In the academic year 2020-2021, due to the outbreak of covid 19, lockdown was carried out in the entire district of Maharashtra. Therefore, the government decided to close the colleges affiliated to all the universities in Maharashtra and to provide online education. This decision has had a huge impact on the poor and budding students studying in rural areas. Because they did not have access to online education, they had to face a lot of difficulties.

Manavlok College of Social Work started a value added course on Information Computer Technology for the students in the academic year 2020-21 for the first year students of MSW. Under this course students were introduced Computers are everywhere in the present age . For this students need basic knowledge on computer. This course will enable you to get a basic understanding of all aspects of computer hardware and software. As a student, you will need to use a lot of common application software like MS Office. The basic content of Microsoft Word, Excel and PowerPoint will be taught to you through the course of understanding and demonstration as well as you will be familiar with the technical support activities of Google and send and receive emails, access to sent emails, document collaboration, Preparation and Presentation of Slides, Slide Show etc.

Programme on Soft Skills

Report - 2020-2021

Manavlok's College of Social Work, Ambajogai gives emphasis on the soft skill development of M.S.W students. Due to Corona pandemic situation, there was gap in actual discussion with the students during this academic year. But in order to increase the knowledge of the students, soft skills development program have been taken online along with the university curriculum. The brief report of this course is as follows -

Application and Biodata

After successful completion of M.S.W course, students have to apply for different government and semi government jobs. So it was important to give information on how to write an application, type of applications, process of application etc. This information about how to apply was given on 19.06.2021 from 04pm to 05pm. Since the students of this college are from rural areas, they have to go for interviews in various NGOs and government agencies in search of jobs. Guidance was given on personal Information, educational qualification, career planning, project work, block placement, extracurricular activity, co curricular activity, paper presentation etc. Total 32 students participated in this session.

Personality Development

On 21.06.2021, a lecture on Personality Development was conducted for the personal development of the students. It was included guidance on self-understanding, positivity, decision making, to give self-introduction, being a good

listener, to give respect to other persons, body language, dressing sense, introspection, etc. Total 22 students attended the seminar held on this topic.

Administrative Record Writing and Documentation

Students were taught through online mode on report writing and maintaining documents. The discussion was held on report writing method, abstract, language, content, summary etc. Documents are the backbone of administration. Documents make your work known to others and help you organize your work better. Guidance given to students on how to mention information, photos, news and reports in the document.

How to write notice and proceedings

On 02.08.2021, the lecture was held for M.S.W. Students who have passed out and looking for jobs in various NGOs and government offices. If a student knows the responsibility of administration then they can work efficiently. They are informed about how to issue a notice of administrative work, how to prepare an agenda and how many days prior notice should be issued, the place and time mentioned in the notice are important. There was also an in-depth discussion on how to write the minutes of the meeting in the resolution. Students were also given information on how to write the minutes of the previous meeting and the resolution of the current meeting. 31 students participated in this lecture.

The aim of the college is to enable students to handle the tasks easily while working in the administration by utilization of these soft skills.
