Forewords

I am pleased to present the academic year 2019-20 report of Manavlok Social Work College, Ambajogai. We are grateful for the guidance of the College Development Committee for the smooth running of the college. Especially Manavlok's Secretary Hon. Mr. Aniket Lohia's guidance is valuable for us. So the college always prefers to remain in their debt. This report is intended to be a written account of the innovative activities carried out on behalf of the college in this academic year. Activities of this year are planned at the beginning of the academic year for the smooth running of the college work and given the responsibility as coordinator / head. So the work of the year is done properly. The college always strives for holistic development of the students through the curriculum and other programs of the university. Through fieldwork, social problems are addressed with the methods of social work education. Students are trained through various courses like rural camp, study tour, seminar, case study, skill lab etc. For that, the professors in the college work to impart knowledge with passion. The contribution of post-academic staff is very valuable. From cleanliness to overall development of students, the college always strives. When the newly admitted students come to the college, regular classes, participation in various activities, seminars etc. make them engaged with study and practical work. I believe that students learn many things which makes them versatile persons with the knowledge of human rights and social development.

B) Fieldwork –

In field work practicum the Knowledge of social work is demonstrated in the community and in various institutions. Agency based (case work, group work) for first year students and placement in different communities for second year students. In the agency-based field work, the students adopted two methods of social work, Case Work and Group Work. Under this method, students deal with individual problems of a person in the institution. Client selection, understanding problem and enabling client to solve his own problem by using the principles and techniques of casework. In the group work method, formation of group of people with similar problems, problem analysis and group process to find the right kind of solution done with the participation of group members. Group work is done by using the principles, techniques, and skills of group work method. The second year students have gone to different communities and demonstrated the third method of social work in community organization. Under this approach, he worked with the community at the community level to understand the community, identify community issues and solve them. At the same time, the students carried out field work projects, community based research on various issues in the community. In this two year course, students try to study all the six methods of social work. Students also participated in activities like Morcha, statements to various government departments etc.

Fieldwork Workshop: Before starting the fieldwork, the students were informed about the difficulties faced while doing actual fieldwork, problem identification, intervention design, role of social worker, responsibility, routine etc. through the workshop. This workshop was conducted on July 15, 2019. The main theme of this year's field work was "Study of Water Sources and Current Status in Ambajogai City". A fieldwork workshop was conducted in this regard. Dr. Arundhati Patil guided the students.

In Ambajogai city, the drinking water situation has become very bad due to the drought that has been going on for the last three to four years. 33) Co-curricular Activity

Case Presentation:

Learning supportive activity is a part of syllabus for M.S.W first year students. Under this activity studrnrs are given various social problems in the society like education, water management, drought, social justice and equality, various social laws etc. 45 issues were allotted to students for study. After studying the above subject, the students have presented a detailed report in the college.

Seminar:

Orientation visits are important to understand the institution and their social work. First year students are given visits to local government and semi-government institutions. Second year students are given visits to government and semi-government institutions, industries, ideal villages in the state of Maharashtra. At this time, the students study the day-to-day functioning, management, and working methods of the organizations. After the visit, the students are presented group wise seminar on the function of visited institutions.

34) Extra Curricular Activity:

Soft Skills

Soft skill development is necessary for personality development. With this aim of overall development of the students' soft skill development classes is conducted in the college. When students pass out from the college they have to work in various government, semi-government offices. So for that students are required to prepare resumes and also understand administrative records etc. For their preparation of personal interview guidance is given in soft skill development class.

Healthy Practice:

In order to maintain good atmosphere among the teaching and non-teaching staff and management in the college, various exercises are done on 15th August 2019. The flag was hoisted by Shamsunder Sarwade. Class IV employees are promoted to

celebrate various anniversaries of great persons. It helps to build their confidence and create sense of equity.

Field Action:

For the last four years, Beed district has been experiencing drought. The effect of this drought is also seen on the water supply and water source in Ambajogai city. Ambajogai town faced drinking water shortage due to low rainfall. In order to study this water problem, Manavlok Social Work College started researching the traditional water sources available in Ambajogai town. When the entire area was studied, it was observed that Ambajogai city has Nizam period lakes and some places have wells and dams. If they are used properly, some amount of water problem can be solved. In the present study, facts were collected through 131 families and this report was prepared by discussing with water supply department related persons, political persons, persons working on the subject of water etc. In this program students and professors of the college were participated. Students submitted a report through direct survey, visit, observation etc. A total number of 19 wells were investigated in Bada Lake area. Out of that 13 wells have water. But the water in this well is not suitable for drinking due to silt and garbage. If these wells are desilted, they can be used. The current status of all these wells and other water sources was informed to Ambajogai Municipality through a report and presentation on the study.. On that, the municipality assured that they will take appropriate measures for reviving the wells.

35) Extra Activity:

INSTALLATION:

This program was conducted on 06.09.2017 with the objective to provide learning opportunity and develop observation skills among students. Five groups were made in this program. Each group was given a separate topic. Topics like cleanliness, superstition, watershed, farmer suicide, education etc. were given in it. The students made an installation on the above topic using the available equipment in the college premises and gave a group presentation.

Bhumika:

Along with the curriculum, various activities and presentations are organized for the students in the college every Thursday. An innovative initiative called 'Bhumika' is published on the first Thursday of every month. In this program, students are expected to write their opinions, thoughts, perspectives on current affairs, social, political, economic, cultural issues/problems/situations. On this occasion, the college has provided a good opportunity to the students to express their thoughts in written form. In the academic year 2019-2020, an innovative activity 'Bhumika' was conducted in which the students chose a topic on the current social problem and presented it in detail.

Skill Development:

A skill development program was conducted for the first year students. Dr. Nazeer Sheikh tried to impart education through entertainment and games. This includes

students' concentration, teamwork, playfulness etc. Subject information was given with demonstration. Skill development is mainly used for community organization.

Awareness Songs:

On the second Thursday of the month, Janajagrutipar Geet is conducted in the college. The students are made aware of the patriotic song. It gives them inspiration, enthusiasm and inculcates social values of life. The songs which express the life of farmers, labourers preferred. On the second Thursday of the month, 05 students from the first and second years sing awareness songs.

Shramdan:

Shramdan is organized in the college every Thursday from 10:30 am to 11:30 am in order to inculcate the culture of hard work among the students and to understand the importance of cleanliness. All the students of the college, all the employees of the college participate in Shramdana. Cleaning of the premises, cleaning of the bathroom is carried out.

Khadi Uniform:

According to Dr.Dwarkadas Lohia, the founder of Manavlok, all social workers of the organization as well as all the employees and students of the college should wear khadi uniform on every Monday and Thursday, in respect of leaborers working in Khadi manufacturing.

Prayer:

College starts at 10:25 am with prayer. At this time, all the student and staff stands in a row and take the prayer written by Saneguruji, 'Khara to Ekchi Dharma, Jagala Prem Arpave'. This activity helps to maintain discipline and values are inculcate among participants.

Parivartan Project:

05 elderly people were distributed kits through Parivartan Prakalp. Bibhishan Ghadge, Ramdas Kale, Ashok Kedart participated in this program.

Accommodation for Non-Teaching Staff:

The institute has provided accommodation for Class IV staff within the college premises. Suhas Mali, Annasaheb Shende, Shivaji Pallewad avail the staff accommodation.

Awards:

On the occasion of Muknayakan Day, the Ambajogai Taluka Journalists Association honors the persons working in different fields in the society by giving Muknayakan Award. On January 31, 2020, the office superintendent of the college Mr. Ashok Kedar was felicitated with a memento as 'Mooknayakan' for his social work.
