#### Suggestions and opinions of the students:-

No staff room for girls in college, no staff room for boys, no hostel, no canteen, no earn and learn schemes of the university, Facility for boys no need to be done everything else is fine We are taught the subjects in a very nice way. All subjects are taught very carefully. Education is imparted in a good way. All subjects are taught very well in the institute. Teach by example while teaching. The teachers teaching in the institute teach in a very thorough manner. Teachers should understand what the students are saying, Students should be encouraged. The college should try for the facility of canteen, hostel, and scholarship. Library facility should be improved and needs to some hard subjects, to improve teaching somewhere. Whereas learning experience is good but students skills should be improved. Our teacher guides in a very nice way, so I have no problem with him. Effective group discussion on the different challenging social issues is conducting in the college.
